Mission

The Town of Wytheville Department of Parks and Recreation is dedicated to providing high quality, wholesome recreation opportunities, programs and facilities to meet the diverse needs of all citizens.

Welcome

We are pleased that you and your child have made the choice to participate in our program. Our goal is to provide a quality experience for your child; one that focuses on fun while learning how to play the game. Our program will provide your child opportunities to learn values essential in life and society such as sportsmanship, winning and losing, team work and much more. It is our philosophy that leisure or recreation opportunities are necessary throughout one's life and help to maintain a healthy balance.

- Please remember this league is an instructional league for all of the players. Please help all players in assistance with positioning and batting.
- All coaches who are assisting in any way must fill out volunteer paperwork before they can help coach. These papers can be picked up at the front desk or by contacting Kevin Bean at 223-3518.
- Anytime there you hear thunder or seeing lightning, there will be a 30-minute wait from each occurrence. All players and coaches will need to exit the field until the waiting period is over.
