walking track

Monday-Friday:
6:00 am – 9:00 pm

Saturday: 7:00 am – 8:00 pm

Sunday: 1:00 – 6:00 pm

Want to exercise but not sure where to start? Walking is one of the best forms of exercise. Did you know that walking is a form of weight bearing exercise? Weight bearing exercise helps increase bone density which then helps prevent osteoporosis. The Centers for Disease Control and Prevention/American College of Sports Medicine recommend 30 minutes of moderate-intensity activities 5 or more days a week. Regular physical activity significantly reduces the risk of cardiovascular disease and risk factors such as high blood pressure, diabetes and obesity. So, find a friend and start walking! Please adhere to our designated lanes for walkers and runners as well as the designated direction for that day. Monday, Wednesday, Friday and Sunday-Clockwise/Tuesday, Thursday and Saturday-Counter Clockwise. If you need some help keeping track of the laps you've walked, stop by the front desk and purchase a tally counter to log your laps and miles. Children under 12 must be accompanied by an adult at all times. Stroller times are limited to Monday-Friday 8:00 am – 3:00 pm, Saturday and Sunday 1:00-3:00 pm.

racquetball

The Wytheville Community Center offers two full-size racquetball courts located on the second floor adjacent to the climbing wall for your fun and entertainment. Please adhere to the policies and rules for availability and reservations. Children under the age 12 may not use the racquetball courts unless playing with an adult or person older than 16. Goggles are strongly recommended for all participants to protect from eye injuries. Check at the Front Desk to make reservations as well as availability for goggles, balls and racquets. Gold level pass plans have unlimited access to the racquetball courts. Silver level pass plans include two hours per week of racquetball court time.
